The current financial plan for COMPANY NAME is to secure funding in the amount of \$680,000. The funding will be used to purchase bees and produce bee hives, construct a honey kitchen, purchase land, equipment, a service truck and provide salaries for employees and working capital until the business maintains profitability.

Beekeeper Business Plan

If you plan to approach your beekeeping endeavor as a business, you should maintain good records. The best way I have found to do this is with a dedicated expense book. Expenses (equipment for yourself and the bees) and hopefully income amounts accumulate quickly. Transactions that you were sure you could remember are forgotten.
