Praise for. Capitalism at the Crossroads. "The third edition of Capitalism at the Crossroads arrives at a pivotal moment—it follows the world's most serious financial crisis since the Great Depression. As we address the recession's dire consequences and rebound from the brink of economic collapse, Stuart Hart proposes a sustainable, socially responsible model of capitalism and compels us to seize the opportunities afforded by a fresh start." —Bill Clinton, Founder of the Clinton ...

Capitalism at the Crossroads: Next Generation Business ...

Capitalism at the Crossroads has a narrower focus than I would have liked as it centers its argument almost purely on sustainability via a "green economy." Prof. Hart starts by tracing the history of socially responsible corporate behavior from its early days in the 1970s when such behavior was imposed through regulations and fines; he then transitions to the 1980s and 1990s strategies of pollution prevention and eco-efficiency, to end with the policies of eco-effectiveness of the last ...

"Capitalism at the Crossroads" by L. Hart

In my book, Capitalism at the Crossroads, I presented new strategies for identifying sustainable products, technologies, and business models that will drive urgently needed growth and help solve social and environmental problems at the same time. I also argue that corporations are the only entities in the world today with the technology, resources, capacity, and global reach required.

Capitalism at the Crossroads (3rd ed.) by Hart Stuart L ...

The Crossroads A confluence of economic, technological and sociological forces poses a threat to the survival of market capitalism. Ironically, this threat looms even at the moment of market capitalism's apparently unchallenged triumph over its 20th century antagonist, communism.

Capitalism at the Crossroads Free Summary by Stuart L. Hart

Beyond the Crossroads Last week Conter published a piece by my colleague comrade and columnist George Kerevan SNP At the Crossroads which was met with much praise. Whilst some of it presented a critique of the SNP's political limitations that are self-evident and true, other aspects of the argument seemed deeply problematic and confused.
