Chemistry Workbook for Dummies. It's been proven that the most effective way to study for an exam is to do practice tests, and the best way to learn anything is by doing. With that in mind, we could say that Chemistry Workbook for Dummies is the best tool you can find to learn high school chemistry with a more hands-on approach.

Best Books to Learn Chemistry in High School (2020 Guide)

organic chemistry i workbook for dummies. i think all the "for dummies" books are pretty well done. they use humor to hold your attention. this book is especially good for beginners i think. i've been doing this awhile but i also read some tips and ideas i hadn't thought of or had thought of in a different way. i'm always looking for good ideas.
