### Civic Agriculture: Reconnecting Farm, Food ... - Project MUSE

In his 2004 book, Civic Agriculture: Reconnecting Farm, Food and Community Lyson argues that in containing food production for a specific community to that community, one is further connecting the community so that it may be economically independent and socially unified. Lyson expounds on his ideas, arguing that because of the interlocked relationship between the food economy and consumers, people have a civic duty to support important agricultural engagements.

### Civic agriculture - Wikipedia

Thomas A. Lyson, a scholar-practitioner in the field of community-based food systems, calls this rebirth of locally based agriculture and food production civic agriculture because these activities are tightly linked to a community's social and economic development.
