At F8 2014, we introduced Graph API v2.0, updates to Facebook Login, and a lightweight Login Review process in order to give people more control over the information they share with apps. We gave developers a year to upgrade their apps, so on April 30, 2015, we will start automatically upgrading apps to Graph API v2.0, and removing access to any permissions which have not been approved for use via Login Review .
