If you want your employees to give you their best efforts, you need to give them time to rest, and in fact, the law requires you to give 12 paid days off to every employee who works at least 240 days per year. In particular, you must award your workers one day of leave for every 20 days of work, and if you have workers under the age of 15, they earn a day off for every 15 work days.
