Mullard Limited was a British manufacturer of electronic components. The Mullard Radio Valve Co. Ltd. of Southfields, London, was founded in 1920 by Captain Stanley R. Mullard, who had previously designed thermionic valves for the Admiralty before becoming managing director of the Z Electric Lamp Co. The company soon moved to Hammersmith, London and then in 1923 to Balham, London.

### the-eye.eu

This is the amalgamated data from three Mullard Data books from the late '20s to late 30's. I believe it covers all the valves Mullard made for domestic receivers between 1925 and 1937. Only those valves in current production, with full or half page data are listed. Valves still in production or stock for re-valving are not listed here.
