Review Of The Present Law

The present law protects both doctor and patient. The patient feels that life is no longer worth living, but the moral stance behind the law reflects that a person's life is valuable per se - not because of what the person contributes or does, but because the person is a person.

The Harvard Law Review is a law review published by an independent student group at Harvard Law School. According to the Journal Citation Reports, the Harvard Law Review's 2015 impact factor of 4.979 placed the journal first out of 143 journals in the category "Law". It is published monthly from November through June, with the November issue dedicated to covering the previous year's term of the ...

Harvard Law Review - Wikipedia

I've seen quite a few books going around recently about mother-in-laws, some lackluster. But The Mother-in-Law was masterfully written and kept me fully engaged from start to finish. Told through both Diana and Lucy's perspectives, "past" and "present," a picture of both their lives, and their complicated relationship, is painted.
