How to Build Wealth. As the chart shows, if you want to build wealth, there are really only two things to get right: Increase the difference between your income and expenses. Save that difference and grow it exponentially over time. That's it. And yet, the vast majority of people never build any serious wealth.

Social Wealth Quotes by Jason Treu
- Goodreads

For most people building wealth will be an exercise in patience, diligence, and discipline. You're playing the long game, after all. Setting healthy spending, saving, and budgeting habits early on will ensure that it will be less painful down the line.
