ABS RECORD® online database provides a listing of all vessels and offshore installations currently in class with ABS, including appropriate class notations. Each listing contains the principal particulars of the vessel or installation and information on the machinery, hull, capacities, builder, owner and ABS survey particulars.

ABS RECORD

Normally, you use the mouse's left-click to select an object (whether it's a trace, via, part, etc.), but when there are two parts overlapping exactly where you're clicking, EAGLE doesn't know which one you want to pick up. In cases like that, EAGLE will pick one of the two overlapping objects, and ask if that's the one you want.

Timberjack NX Eagle 29 makes hard trails a heck of a lot easier with its modern trail bike geometry and short chainstays for nimble scrambling. The SRAM NX Eagle groupset provides light, intuitive 1x12 gearing, while the RockShox Sektor RL fork works with the 29 x 2.6" rubber to smooth the bumps and provide traction.

2019 Timberjack NX Eagle 29 | Salsa Cycles

The 4X4 flat pad has 16 times the surface area of the jack ram alone. In addition, the size of the jack pad adds stability to the jack making it harder to slip or tip over. The half round pad is perfect for pushing against piping or axles. Pads simply slip over the top of the jack ram or jack extension.
