Strong Campbell Interest Inventory Test

The Strong-Campbell Interest Inventory, or SCII, is the fruit of the collaboration of two psychologists who may be considered as the frontrunners of vocational interest assessment. These two are Edward K. Strong, Jr. (who created a predecessor of the SCII called Strong Interest Inventory) and David Campbell. Strong came up with the idea of creating an interest assessment tool after noticing that the differences in the likes and dislikes of people tend to be consistent over time.
