Studyguide for Social Problems: A Down to Earth Approach ...

Description. This theoretically balanced text provides the latest research findings and a consistent structure to help students analyze major social problems facing the United States. Henslin presents both sides of an argument with a neutral voice and has a "down-to-earth" writing style. When students complete this text, not only do they gain a sociological understanding of social problems, but also they are able to explore-and evaluate-their own opinions about specific social problems.

Henslin, Social Problems: A Down-to-Earth Approach | Pearson
