Author (s) Reviews 4. Suitably Modern traces the growth of a new middle class in Kathmandu as urban Nepalis harness the modern cultural resources of mass media and consumer goods to build modern identities and pioneer a new sociocultural space in one of the world's "least developed countries.". Since Nepal's "opening" in the 1950s, a new urban population of bureaucrats, service personnel, small business owners, and others have worked to make a space between Kathmandu's old (and ...

In *Suitably Modern*, the American anthropologist Mark Liechty breaks the mold and delves deeply into what he calls Making Middle-Class Culture in Kathmandu. Because it is a scholarly study, some readers may balk at a discussion of social theory, upon which all anthropologists interpret their subject matter.
