The Making Of Global Capitalism

In this groundbreaking work, Leo Panitch and Sam Gindin demonstrate the intimate relationship between modern capitalism and the American state. The Making of Global Capitalism identifies the centrality of the social conflicts that occur within states rather than between them. These emerging fault lines hold out the possibility of new political movements that might transcend global markets.

The Making Of Global Capitalism: The Political Economy Of ...

The Making of Global Capitalism marks the start of a project to construct a new historical materialist analysis of the American empire and the world system it oversees.

The Making of Global Capitalism - Jacobin

A clear and insightful look into the 'making of global capitalism'. Uses a historical analysis of the evolution of capitalism to elucidate and discern the fate of the world during the 2008 financial crisis. Provides tremendous insight into the nature and state of global capitalism.

The Making of Global Capitalism: The Political Economy of ...

2 the making of global capitalism the spread of capitalism throughout the world was not the automatic result of the operation of any historical "law"; it was brought about by human agents and the institutions they created, albeit under conditions not of their choice. It has become quite commonplace to praise Marx in particular for

The Making of Global Capitalism: The Political Economy Of ...

If global capitalism-arguably the most efficient wealth creating system currently known to man-is to be both economically viable and socially acceptable, each of its four constituent institutions (markets, governments, supranational agencies and civil society) must not only be technically competent, but also be buttressed and challenged by a strong moral ethos.

Making Globalization Good: The Moral Challenges of Global ...

Introduction From the Financial Times to the far left, tons of ink has been spilt writing about some variant of the "Crises of Global Capitalism". While writers differ in the causes, consequences and cures, according to their ideological lights, there is a common agreement that "the crises" threatens to end the capitalist system as we [...]
