The Orange Fairy Book didn't have as many great stories as many of the other Fairy Books, but there were still plenty of unusual tales and fantastic illustrations, enough to make it worth my time. There are also a lot of rather unhappy endings in this collection, but those stories were some of the most interesting to read.

The Bird of Truth — Andrew LANG
Fairy tales are stories that range from those originating in folklore to more modern stories defined as literary fairy tales. Despite subtle differences in the categorizing of fairy tales, folklore, fables, myths, and legends, a modern definition of the fairy tale, as provided by Jens Tismar's monologue in German, is a story that differs "from an oral folk tale", written by "a single ...
