I wrote True Nature: An Exploration of Being Human to share what I’ve seen to be immensely helpful and hopeful for all of us. It explores universal truths about the nature of the mind that allow us to live with much more grace and peace of mind. And while the response has been overwhelmingly positive, a book can only go so far.

Brad Fraser's play Unidentified Human Remains and the True Nature of Love deals with love and relationships in a society devoid of morality and fearful of emotional commitment. This thesis focused on translating the conflicts in the script into action for performance, and creating a strong ensemble of actors, designers and crew. My process included an analysis of the play, examining it with ...
