Wild Company The Untold Story

Wild Company is the tale of how two people left their unsatisfying jobs, created something they really weren't willing or able to nourish, and ultimately lost control of their creation. Their creation lives on, subsumed in a corporation that neither cares about or wants to remember what made the creation great, just one bland face of three.

Wild Company is at its core a story of the American Dream in the 20th century. Additionally, Mel and Pat's take on their company history isn't filled with regret or hatred. This isn't a novel to bash Gap, Inc., rather to show people that if you have a dream it can be accomplished despite any circumstances.
